[the importance of prescriptivism in the development of](#)

This paper will give an overview of the evolution of phonic descriptions in 18th century English pronouncing dictionaries, and of the role of prescriptivism within this process. The prescriptive attitudes of orthoepists during this period led them to adopt increasingly detailed and precise transcription systems, and this same prescriptivism, informed by graphocentrism, influenced these systems ...

[der von kurenberg edition notes and commentary](#)

Gratis verzending From Seller/Antiquarian Der von Kurenberg: Der von Kurenberg was one of the first named poets to write in Middle High German language. This study presents a modified, diplomatic edition of the fifteen strophes text by Der von Kurenberg. It offers a commentary on the original text and discusses the literary and interpretative problems connected with the poet's work.
